

Join us on the **RAF Trail**

An Event Series for the 2017 Flying Season

The RAF is proud to announce its inaugural **RAF Trail 2017**, our way to showcase special places, including many on which the RAF has had an impact.

These RAF events are open to the public and have no registration fee. Each is hosted by that state's RAF Liaison and each destination offers unique recreational aspects, special activities and a small memento of appreciation from your hosts, the RAF.
